#HND2K

#HND2J

## CABLE TESTER for USOC, WECO, 10 Base-T & Token Ring

*Sends Tone Too!*

**NEW MODEL!**

Overvoltage Protection for Live Circuits!

On / Off Switch

**\$129.95**

Tests Both 568A & 568B

#TOH3E

- Computer Wiring is Profitable for phone men!
- Errors in wiring (split pairs) that work with the current 10mbt 10 Base-T will stop dead on 100mbt Ethernet or Token Ring!
- Do it *right* the FIRST TIME with these testers! Comebacks are Expensive!

## High Quality Universal...

WECO - 10 Base-T - Token Ring (& USOC with Supplied Adapter Cables)

Easy to read LEDs tell you what pair has a problem. Most of our customers are finding 1 or 2 miswired jacks per install, which would cost time, money and goodwill with your customer!

Tests for Reverses, Shorts, Miswires & Opens

- Palm Sized Units Slide Apart for Remote Use
  - Tests Mod Cords ... Straight & Reversed
- Complete Kit:** Tester in Vinyl Case, Two 6" Straight Thru Cables & Two 8" WECO to USOC Adapter Cables... **\$99.95**

## REPAIR PARTS:

If you put this tester on a live line, you'll probably blow out the ICs or LEDs.

### Complete Replacement...

MASTER PC Board #TOH6B ..... \$10.00  
REMOTE PC Board #TOH6A ... \$10.00

## NEW!

## Deluxe Coax BNC & RJ-45 Cable Tester

#TOH10

## NEW Internal Protection from Live Wires...

**Won't blow out!**

- Tests all four pairs of WECO, USOC, 10 Base-T and Token Ring RJ-45s!
- Tests for Continuity & Shorts on Coax BNC Cables

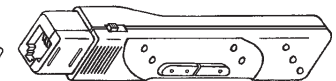

Even the best can mess up a crimp on a BNC Connector, but you won't know unless you TEST IT... Until you troubleshoot the equipment for an hour! This Tester will do a BNC Wiggle Test, so you can see an intermittent problem.

Tester with 9V Battery & Neat Vinyl Case..... **\$159.95**

## 2 Line Pocket Tester

#HND7C

• Both Red & Green Polarity Test LEDs!

Test for Loop Current, Battery & Ring Voltage..... \$ 16.99

## USOC-6 & USOC-8 Cable Tester

Tests USOC Jacks for Reverses, Opens, Shorts & Miswires.

Tests Modular Mounting Cords, Straight & Reversed.

This Tester will do a Wiggle Test to detect intermittents.

Tester with 9V Battery & Vinyl Case #TOH11 ..... **\$79.95**
