World's Best Fish Chain!

\$7.95 #T002C

Tie the wire on thru this hole!

#T002N

\$9.95

Chain globs onto end of magnet when you wiggle it around thru the hole!

24" Flex Magnetic Retriever

Doesn't tangle, special Super Strong Thin Ball Chain will slither thru most anything... then back into its Shirt Pocket Pouch (easy to carry from jack to jack). Drop it down the wall, make a 3/8" hole at jack level, stick the Magnetic Retriever in and wiggle it around. Chain will glob onto magnet, then pull it out of wall! If drywall is mushroomed into wall, use our 9" Hook Wire (\$3.99 - it's Great!) to grab chain off magnet. **FASTER THAN YOU'VE EVER DONE IT!** Use our 8" Wet Noodle (\$2.90) on the end of Fish Wire, then fish the CHAIN out of the hole *instead of* the Fish (which ain't easy).

For Insulated Walls:

Super Strong Thin Fiberglass FISH WIRE in Round PVC Case

NEVER COILS: Stays STRAIGHT in the Wall!
