\$17.95  
3 @ \$14.95

2 Scrolling Wheels!

World's Most Easy-to-Use Mouse!

High Quality Serial & PS2 Mouse

I bought one of these because I was sick of dragging the scroll bar to move down... or across a page.

All I have to do now is roll either wheel a little with the tip of my finger to see it all!

## NiMH Batteries

(Nickel Metal Hydride)

NiMH Batteries have 3 times the capacity, lasting 3 times as long as NiCads...

with NO Memory Effect!

Charges 2 or 4 AA or AAA Batteries at a time!

Charges both NiCad & NiMH Batteries in 5 Hours

Only \$17.95

• Also Trickle Charge!
