

WIDE TRACK TOOL CART RESISTS TIPPING OVER!

How many times has your little luggage cart started rocking back and forth after you went up a curb, and finally *fell over*?

I clobbered a \$2,000 computer that way!

250 Pound Capacity

Heavy Duty!

- Comfortable Foam Grip Handle
- Extra Long Cords with Hooks
- Easy Release Handle

Only \$59.95 #TLS2Q

This is the widest cart made!

Folds easily to store in your car or truck!

We're not done yet, but we've sure got a lot of neat stuff up there!

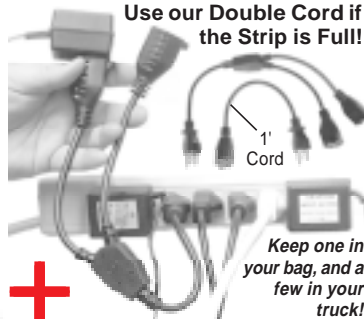

Find our Telephone History Pages at: www.sandman.com
