

Snappy™ Quick Change Chuck & Hex Drill Set

#KI T7H

Slide this Top Quality Chuck back, and click in a Phillips, Straight Blade, Square Drive, Drill Bit or any hex type bit.

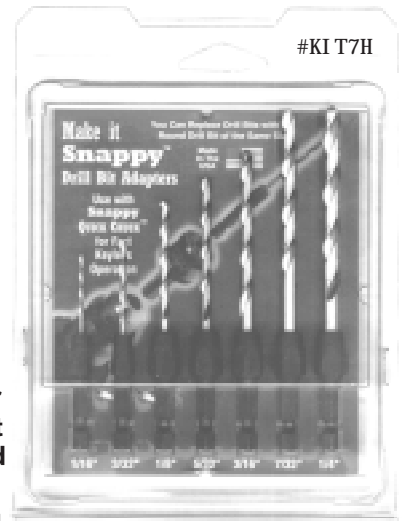

You can hear and feel the patented Snappy™ Quick Change Chuck grasp the bit.

Fits any standard 3/8" Chuck!

Unique 7 Piece Hex Drill Set, with **REPLACEABLE DRILL BITS!**

Includes high speed steel drill bits for long life in plastic, wood or metal. When they do break, just replace the drill with any standard drill of the same size!

The Hex Adapters with their Spring Steel Collet makes a lot more sense to use, than disposable hex shank drill bits!

Drill Size Stamped on Every Adapter!

Only \$19.95
